ACKNOWLEDGMENT

First and foremost, I want to thank Allah SWT for providing me with the strength and

blessings that allowed me to complete this assignment. Also, I must praise myself, Nuraisyah

binti Mohd Zamri for completing this assignment since it would not been possible without my

great efforts. I put a lot of effort into making sure the assignment is completed successfully.

Thus, I would like to give thanks to my lecturer, Encik Mohd Firdaus Mohd Helmi

because without his guidance my assignment cannot be done well. He is always there for me

by giving support and guiding me on the way how to do the assignment. Indeed, he really

inspired me to do this assignment. For the same reasons, I would also like to thank him for

teaching me this course.

Ultimately, I would want to express gratitude to UiTM Kedah and my classmates. My

classmates were really helpful to me in the journey of my assignment, and I am grateful to to

UiTM Kedah for providing opportunity to do this assignment. Thank you.

Sincerely,

Name: NURAISYAH BINTI MOHD ZAMRI

UiTM's Academic Integrity Pledge

By signing this form, I agree to act in a manner that is consistent with UiTM's academic assessment and evaluation policy and processes. I will practice integrity in regard to all academic assessments, and pursue scholarly activities in UiTM in an open, honest, and responsible manner. I will not engage or tolerate acts of academic dishonesty, academic misconduct, or academic fraud that include but are not limited to:

- a) Cheating: Using or attempts to use any unauthorized device, assistance, sources, practice or materials while completing academic assessments. This include but are not limited to copying from another, allowing another to copy, unauthorized collaboration on an assignment or open book tests, or engaging in other behaviour that a reasonable person would consider to be cheating.
- b) Plagiarism: Using or attempts to use the work of others (ideas, design, words, art, music, etc.) without acknowledging the source; using or purchasing materials prepared by another person or agency or engaging in other behaviour that a reasonable person would consider plagiarism.
- c) **Fabrication**: Falsifying data, information, or citations in any formal academic assessment and evaluation.
- d) **Deception**: Providing false information to an instructor concerning a formal academic assessment and evaluation.
- e) **Furnishing false information**: Providing false information or false representations to any UiTM official, instructor, or office.

As a student of UiTM, I am expected to conduct myself in a manner that exemplifies honesty and integrity. If for any reason, I am found to be violating the policies set out by UiTM, I understand that disciplinary action can be taken against me.
